Education

July 2022 - July 2026

Brigham Young University–Idaho, Rexburg, ID

Business Analytics (BS)

- Areas of Interest: Data Analytics, Supply Chain Management, Logistics Management

Experience

September 2025 - Present

Business Operations Analyst Intern, Makai Fruits (Remote/Rexburg, ID)

- Built dynamic Power BI dashboards integrating CRM and sales data, reducing manual reporting time by 60% and enabling real-time visibility into performance.
- Developed customer segmentation and recency–frequency models that improved sales follow-up efficiency by 35% and increased recurring revenue opportunities.
- Translated sales trends into actionable insights, improving forecasting accuracy and supporting strategic decisions across departments.

January 2025 - April 2025

Project Consultant – Sales Reporting & Analytics, EaglePros Lawn Care Services, Rexburg, ID

- Boosted lead engagement by 30% through dashboards highlighting high-potential leads and optimizing team outreach.
- Eliminated 90% of manual reporting time by building an automated Excel tool that became the company's primary system for tracking leads and sales KPIs.

September 2024 - December 2024

Assistant Store Manager – Administration, Gaucho's Supermarket, Manaus, Brazil

- Built 3 automated visual models in Excel and Power BI, improving decision-making efficiency across departments by 25%.
- Redesigned and automated inventory control systems, reducing stock discrepancies across 4 departments.
- Managed inventory operations using analytics to ensure accuracy and availability, increasing reliability by 15%.

September 2022 - December 2022

Company Leader – Finance (CEO), Cookie Jar (Integrated Business Core), Rexburg, ID

- Co-founded a 19-student startup selling cookie mix jars, contributing to marketing, operations, and strategy.
- As CEO, implemented a new business model that increased revenue by 30% during a 35% decline.
- Designed new marketing strategies that resulted in a 58% sales increase and the highest performance of the semester.

Achievements

2025

Winner – Melaleuca Case Competition

- Created and pitched a high-ROI market expansion strategy to Melaleuca executives, identifying

opportunities in an \$85B+ wellness industry supported by market research and financial modeling.

2022-2026

BYU-I Grant Scholarship

- Awarded for academic excellence.
